## News and Other Information

- Due to COVID-19, our church has decided to suspend all physical gatherings and meetings. Sunday worship will be online at specific times (Sunday English Worship: 9:45 am, Chinese Worship: 11:00 am). The live worships cannot be paused. Please check <https://www.bcefc.ca> for the links to the video each week.
- Although the provincial government has completely lifted restrictions on religious activities, the Deacon Board has decided that all worship services will resume physical worship on September 5th after taking into consideration the feedback from brothers and sisters. This decision was made in light of the following factors: schedule for the second vaccination, arrange worship team schedule, etc., The details for resuming physical worship will be announced later.  
In addition, the committees of fellowship and small groups can decide when to return to the physical meeting after consulting their group members. Congregations participating in physical worship, fellowships, and group gatherings must abide by the church's epidemic prevention measures. Thank you for your cooperation.
